

**JEFFREY GANELES, D.M.D., F.A.C.D.**

---

**Florida Institute for Periodontics & Dental Implants**

3020 N. Military Trail, Suite 200, Boca Raton, FL 33431 (561) 912-9993 fax 912-9883

Email: drganeles@teethtodayusa.com

**CURRENT POSITION**

**Florida Institute for Periodontics & Dental Implants**

2/90-present

The private practice of implantology and periodontics, including oral medicine, limited TMJ/MPD diagnosis, treatment and comprehensive dental treatment planning. Special areas of interest and expertise include reducing healing time for dental implants, immediate loading of dental implants, regenerative procedures (jawbone repair) in relation to teeth and dental implants and image guidance techniques for surgical implant placement. Originator of TeethToday<sup>®</sup>, a revolutionary immediate load procedure in which patients receive implants and new teeth at the same time.

**EDUCATION AND QUALIFICATIONS**

**American College of Dentists, *Fellow***

4/01

**American Board of Periodontology, *Diplomate***

4/93

**University of Pennsylvania School of Dental Medicine, Philadelphia, PA  
*Certificate of Advanced Graduate Study in Periodontics***

9/84-5/87

**Hospital of the University of Pennsylvania, Philadelphia, PA  
*General Practice Residency (GPR)***

7/83-6/84

**Boston University Goldman School of Graduate Dentistry, Boston, MA  
*Doctor of Dental Medicine (DMD)***

9/79-5/83

Honors: Omicron Kappa Upsilon

Alpha Omega Scholarship Award (graduated first in class)

American College of Dentists Award

Academy of Operative Dentistry Award

New York State Regents Scholarship Award

**Cornell University, Ithaca, NY**

5/75-6/79

***Bachelor of Science***, Major in Applied Economics and Business Management

Honors: Dean's List, New York State Regents Scholarship

## PROFESSIONAL APPOINTMENTS AND EXPERIENCE

<b>Nova Southeastern University, College of Dental Medicine, Ft. Lauderdale, FL</b> <b>Adjunct Associate Professor, Department of Periodontics</b> Responsible for providing clinical instruction to residents in all areas of periodontics and implant dentistry including periodontal and bone regenerative procedures with autogenous, alloplastic and allograft materials, resorbable and non-resorbable membranes, fixation devices, sinus augmentation, distraction osteogenesis; use of multiple implant systems (ITI, 3i, Nobel Biocare, Sterioss, Camlog); diagnostic evaluation including Simplant™; and comprehensive treatment planning. Lectures and seminars including "History of Dental Implantology and Course Introduction", "Introduction to the ITI Dental Implant System", "Selection of Bone Grafting Procedures and Techniques and Timing", "Lateral Sinus Augmentation and Management of the Atrophic Posterior Maxilla", "Early and Immediate Loading of Implants", "Guided Tissue Regeneration and Other Periodontal Regenerative Techniques". Also mentor treatment planning, case presentation and surgical seminars.	1997-present
<b>ITI, International Team for Oral Implantology, Waldenburg, Switzerland</b> <b>Active Member</b>	12/96-present
<b>Straumann Implant Realities</b> <b>Editorial Board</b>	06/02-present
<b>Cleft and Craniofacial Center, Cleveland Clinic Florida, Ft. Lauderdale</b> <b>Periodontal and Dental Implant Consultant</b>	09/99-5/01
<b>The Cleveland Clinic Educational Foundation, Cleveland, OH</b> <b>Visiting Professor Pro Tempore</b>	02/99
<b>Atlantic Coast Dental Research Clinic, Lake Worth, FL</b> <b>Co-Chairman of Perio-Prosthetics</b> (continuing dental education)	11/92-06/98
<b>Georgetown University School of Dentistry, Washington, D.C.</b> <b>Associate Clinical Professor of Periodontics</b>	09/87-06/89
<b>University of Pennsylvania, Dept. of Periodontal Research</b> <b>Research Associate</b>	07/84-08/86
<b>Hospital of the University of PA, Dept. of Dental Medicine</b> <b>Attending Staff Dentist</b>	07/84-12/85
<b>Practice Limited to Periodontics:</b> Associate with S. Robert Baldinger, D.D.S & Garry M. Miller, D.D.S. 1747 Pennsylvania Ave., NW, Washington, D.C. 20006 (202) 298-6111	02/88-11/89
<b>Greenway Dental Group,</b> 7525 Greenway Center Drive, Greenbelt, MD 20770 (301) 345-2880	09/87-11/89
20010 Century Boulevard, Germantown, MD 20874 (301) 972-1600	07/87-11/89

**Practice of General Dentistry:**

A.T. Koussis, D.D.S., P.A., Springfield, PA

07/84-05/87

Hospital of the University of Pennsylvania, General Practice Resident

07/83-06/84

## PROFESSIONAL PRESENTATIONS

ITI World Symposium, San Diego, CA 10/02  
Speaker at General Session: *Immediate Implant Loading in the Fully Edentulous Mandible*

American Academy of Periodontology Annual Meeting, New Orleans, LA 9/02  
*Immediate Placement and Immediate Restoration of Single Tooth Implants in the Esthetic Zone*

Nova Southeastern University, College of Dental Medicine 5/02  
Online Continuing Education Course in Implant Dentistry: *Maxillary Alveolar Ridge Management to Optimize Implant Restorative Results; Immediate Loading of Implants with Fixed Restorations* 2hr courses for web cast as part of NSU continuing education program

North American Periodontal Study Club Annual Meeting, Playa del Carmen, Mexico  
Guest speaker to address *Predictable Immediate Loading and Predictable Implant Esthetics*  
2 hr presentations to annual study club meeting  
2/02

NAITI annual meeting, Whistler, BC 12/01  
*Immediate Loading of Dental Implants for Complete Mandibular Restorations: Predictable Success and Clinical Reality*

Nova Southeastern University, Ft. Lauderdale, FL 11/01  
6-hour continuing dental education course including lecture and hands-on laboratory exercise *Immediate Loading of Implants with Fixed Restorations*

American Academy of Periodontics Annual Meeting, Philadelphia, PA 10/01  
*Immediate Loading of Mandibular Implants with Fixed Restorations*

Straumann USA Area Managers Meeting, Palm Beach, FL 9/01  
*Immediate Loading in Implant Dentistry and Marketing Implant Dentistry*

Florida National Dental Congress, Orlando, FL 6/01  
*Mainstreaming Dental Implants into Routine Dental Practice*

Northern Maryland Dental Implant Study Group, Timonium, MD <i>Mainstreaming Implant Dentistry into General Practice</i>	9/00
NAITI annual meeting (North American ITI), Orlando, FL <i>Predictable Immediate Loading of Dental Implants</i>	2/00
PRIME Dental Implant Study Club, West Palm Beach, FL <i>Hard Tissue the Foundation..Resection, Regeneration and Recontouring</i>	2,4/00
Caribbean Atlantic Regional Dental Association (CARDA), Turks and Caicos Islands <i>Immediate Loading of Implants-A New Predictable Standard of Care</i>	6/99
The Cleveland Clinic, Department of Dentistry, Cleveland, Ohio <i>Rationale for the ITI Dental Implant System and Predictable Immediate Loading of Dental Implants</i>	2/99
North American Division of the ITI, St. Petersburg Beach, FL <i>Tibial Cancellous Autografts in Implant Dentistry: Rationale, Technique and Case Reports.</i>	1/99
PRIME Dental Study Club, Boca Raton and West Palm Beach, FL <i>Immediate Loading of Dental Implants: A New Predictable Standard of Care.</i>	12/98
Nova Southeastern University School of Dental Medicine, Ft. Lauderdale, FL <i>Application of New Technologies in Perio-Prosthetics to Implantology.</i>	12/97
Cyprus Dental Association, Limassol, Cyprus. <i>Practical Periodontics.</i> 2-day lecture and surgical demonstration course.	1/97
ITI World Symposium, Basel, Switzerland. <i>Simultaneous Alveolar Repair and Implant Placement Using Autogenous Bone Grafts and ITI Implants</i> (poster session)	6/96
<i>Restoration Driven Implant Placement Using Guided Bone Regeneration to Correct Alveolar Defects</i>	
Broward County Dental Hygiene Society, Plantation, FL	9/96
North Dade Dental Society, N. Miami Beach, FL	9/96
Eagle Trace Dental Study Club, Coral Springs, FL	5/96
Atlantic Coast Dental Research Clinic, Palm Beach Community College Guest Lecturer for Course in Periodontics. <i>Guided Tissue Regeneration in Treating Periodontal Defects</i>	1996-2001
Boca Raton Dental Implant Study Club, Boca Raton, FL. <i>Restoration Driven Implant Placement Using Guided Bone Regeneration to Correct Alveolar Defects</i>	1/96
Hollywood Dental Implant Study Club, Hollywood, FL. <i>Guided Bone Regeneration Techniques to Solve Restorative Problems in Implant Dentistry</i>	1/95

- "A Decade of Knowledge": Worldwide Conference on Dental Implants 4/94  
sponsored by Impla-Med Corporation, Plantation, FL. *Advances in the use of GTR in Dental Implantology*
- ITI Scientific Training Course, Boca Raton, FL. 10/93  
*Implant Effects on the `Periodontium', a Periodontist's Perspective on the ITI Implant System*
- Miami Beach Dental Association, Miami Beach, FL. 9/93  
*New Advances with Guided Tissue Regeneration*
- District of Columbia Dental Society, Annual Spring Meeting 5/93  
Presented capsule clinics: *Guided Tissue Regeneration to Treat Untreatable Periodontal Problems* and *Guided Bone Regeneration to Solve Unsolvble Esthetic, Restorative and Implant Problems*
- Atlantic Coast Dental Research Clinic, Palm Beach Community College 11/92-6/98  
Co-chairman of Perio-prosthetics course, a continuing education participation course for general dentists. Responsible for lectures in periodontal osseous surgical techniques, including resective procedures, regenerative procedures and cosmetic procedures.
- Palm Beach Community College, School of Dental Hygiene 2/91, 2/92  
*Introduction to Dental Implants* to dental hygiene students
- South and Central Palm Beach County Dental Societies 1/91  
*Principles and Applications of Guided Tissue Regeneration in Periodontics and Implantology*
- Mt. Sinai Hospital, Miami Beach, FL 9/90  
Lectured to dental residents on diagnosis and treatment of periodontal diseases
- Atlantic Coast Dental Research Clinic, course in Perio-prosthetics 3/90  
Presented lecture to dentists on applications of Guided Tissue Regeneration for management of furcation involvements
- District of Columbia Dental Society Annual Spring Meeting 3/88, 89  
Presented "Lunch and Learn" program *Help for the Hopeless Tooth: Principles and Applications of Guided Tissue Regeneration Using Gore-Tex™ Periodontal Material*
- Liberty Dental Congress, Philadelphia, PA 3/86  
Presented table clinic with the University of Pennsylvania Clinical Research Center to inform dentists about microbiological diagnosis and monitoring of localized juvenile periodontitis.

### **SIGNIFICANT CONTINUING EDUCATION**

- Craniofacial Distraction Osteogenesis: Current Techniques, Future Directions 11/10-12/00  
Baylor University College of Dentistry, Dallas, TX
- Introduction to the Camlog Dental Implant System, Manalapan, FL 5/00

Distraction Osteogenesis Using the Ace Surgical System, NY, NY	3/00
ITI World Symposium, Boston, MA	6/98
Guided Bone Regeneration, Master's Course, ITI World Symposium, Basel, SZ.	6/96
Advanced Surgical Techniques for Implants, University of Miami School of Medicine, Department of Oral Surgery, Miami, FL	3/96, 5/94
Landmark Symposia on Guided Tissue Regeneration and Guided Bone Regeneration, Toronto, ON	8/94
Esthetic and Functional Rehabilitation with ITI Implants, Basel, Switzerland	3/93
American Board of Periodontology Oral Examination Review Course, UCLA, Los Angeles, CA	1/93
10 Years of Guided Tissue Regeneration Symposium at the Univ. of Penn.	6/92
IMZ Implant System Advanced Surgical and Restorative Course, Ft. Laud., FL	1/92
ITI Implant System, Surgical/Prosthetic training course, No. Miami Beach, FL	3/91
Core-vent Corporation Surgical/Prosthetic Training Program, Reston, VA	5/88
Guided Tissue Regeneration using Gore-Tex™ Periodontal Material Institute for Advanced Dental Studies, Boston, MA	9/87
Osseointegration using the Nobelpharma implant system developed by Dr. P.I. Branemark. McGill University, Montreal, Quebec	6/87
IMZ Implant System introduction, Yankee Dental Congress, Boston	1/86
